Greetings Agents,

Our Q4 Executive summary requested by the community can be found[here](here) .

Our previous Q3 2022 summary is here

This was a collaborative effort by@AnewbiZ007, @sean_pop, myself & all of our contributing Agents. Thank you to all!

If you are building on Secret & not yet connected to the Secret Agency then get in touch! Our mission is to help you:

-Grow your community

-Spread news & announcements

-Create content audio/visual/written for dApps & tooling

-Assist with investor pitch deck composition and introductions

-Keep you informed of core protocol upgrades.

-Connect you to other teams building on the network & beyond

-Translate your content into many languages

-Squish bugs & improve UI/UX

-Host & appear on podcasts & AMA's

-Help to moderate your social channels

-Represent your product at events & universities worldwide

& much much more n no particular order.

Wishing you all a successful 2023 & please leave comments in this thread.
