Project description

(please explain how your project works): Optimism Nigeria is a regional hub in Nigeria. Its mission is to achieve Optimism chain goals in Nigeria and give a wide reach to Optimism network in Nigeria.

2% of 115,000 developers in Nigeria build with blockchain infrastructure and less than 1% blockchain innovation is used for public good in Africa.

Problems faced by optimism in Nigeria includes:

1.Low visibility for Optimism blockchain infrastructure in Nigeria

2.No public good project built with Optimism chain in Nigeria.

1. Misconception and lack of blockchain education.

2. No support for blockchain builders and developers in Nigeria.

Optimism Nigeria aims to provide solution to the problems listed above through the following:

1. Support public good project initiatives in Nigeria.

2. Regular blockchain training and education

3.Support builder and developers in Nigeria

1. Integrate & bridge web 2 businesses in Nigeria to web 3

5.Database & Contact of developers

What is the problem statement this proposal hopes to solve for the Optimism ecosystem?:

2% of 115,000 developers in Nigeria build with blockchain infrastructure and less than 1% blockchain innovation is used for public good in Africa.

Problems faced by optimism in Nigeria includes:

1.Low visibility for Optimism blockchain infrastructure in Nigeria

2.No public good project built with Optimism chain in Nigeria.

1. Misconception and lack of blockchain education.

2. No support for blockchain builders and developers in Nigeria.

How does your proposal offer a value proposition solving the above problem?

: 1.Integrate web 2 business in Nigeria to web 3

1. Support public good project in Nigeria

2. Blockchain education and training

3. Support & train builders and developers in Nigeria

4. Database and contact of developers.

Why will this solution be a source of growth for the Optimism ecosystem?

: This solution will increase the reach of Optimism network to Nigeria; the largest asdopter of cryptocurrency in the world.

Has your project previously applied for an OP grant?

: NO

Number of OP tokens requested

: 9,000

Did the project apply for or receive OP tokens through the Foundation Partner Fund?

: No

If OP tokens were requested from the Foundation Partner Fund, what was the amount?

: na

How much will your project match in co-incentives?

(not required but recommended, when applicable): NA

How will the OP tokens be distributed?

(please include % allocated to different initiatives such as user rewards/marketing/liquidity mining. Please also include a justification as to why each of these initiatives align with the problem statement this proposal is solving.):

Token will be distributed according to deliverables and milestones.

- 3 Events & Hackathon in Nigeria - 6,000 OP

- 10 video contents and 20 published articles in various Nigerian local languages - 2,000 OP

- Weekly AMA and podcast about latest OP news - 1,000

Kindly note that the no-sale rule will be strictly adhered to. OP token will be distributed after completion of each milestones.

Why will incentivized users and liquidity on Optimism remain after incentives dry up?

: Optimism Nigeria will continue to operate as a regional hub with and without incentives.
