How to Vote & Create Proposal Participating in governance voting and creating new proposals is easy, and it won't cost you a dime – no need to worry about gas fees.

Learn how to vote, stay updated on upcoming proposals, and make your voice heard!

How to Vote:

1. Navigate to the vote proposal https://vote.zkswap.finance/
2. Choose the proposal you wish to vote for.
3. Read and select your voting choice.
4. Confirm and cast your vote
5.

You need to hold yZF for voting. The more yZF you hold, the greater your voting weight on any proposal

How to Create Proposal:

1. Navigate to the vote proposal https://vote.zkswap.finance/
2. Create a new proposal.
3. Set up your proposal data.
4. Confirm and publish your proposal.
5.

To create any proposals, you need to stake at least 500,000 yZF in the DAO pool.
