Bridging

First of all, we recommend using the official bridge provided by zkSync era and Telos first, and ReactorFusion is not responsible for any problems that may occur when using the bridges. Please contact the respective bridge operator if you have any problems using the bridge. * zkSync Era Portal : * https://portal.zksync.io/bridge * * Telos Bridge: * https://bridge.telos.net/bridge * [Getting Ready - Previous Introducing Telos EVM](#)[Next - Protocol ReactorFusion Loyalty Program (RLP)](#) Last modified3mo ago
