Implementation Status:

Complete

Author:

[@apecoincarpetman](#)

Abstract Summary:

Rich Class Décor (RCD) is a web2 company that loves the web3 space! We make High-Quality Pure Wool Handmade Carpets in custom logo & NFT designs. We have been commissioned by members of the BAYC community with many positive customer reviews.

In this AIP we are asking for:

- Approval for one-time use of the Apecoin logo for a limited-release drop

- A limited amount of 500 rugs for sale, on a first come first serve basis

- Token gated for purchase with Apecoin

- Request official ApeCoin Twitter to tweet and retweet when the store is ready and bi-weekly until 500 carpets are sold

Overall Cost:

There is no cost associated with this AIP.
