Secret Network is launching a Design Committee

this week and we're looking for designers, creatives, and interested community members to help get it off the ground.

As a member of the Design Committee, you'll have the opportunity to get connected with design opportunities in Secret Network, be recognized for your design contributions, collaborate with other designers, and help grow design for the network.

How to Join the Secret Network Design Committee:

- Review the Design Committee Charter

- Fill out this membership form

(takes <1 min to complete!)

- Introduce yourself in #

design on the Secret Network discord

- If able, join our weekly committee calls on Tuesdays at 5PM UTC (1PM EST, 12PM CT, 11AM MT, 10AM PT) in the Secret Network Discord.

Our first meeting is tomorrow, Tuesday, May 4 at 5PM UTC

. Anyone is welcome to attend. I'll be giving a brief overview of the committee and do a Q&A to help get things started.

Hope to see you there!

John Brodish

Design Committee Lead
