Oracle address

The current address of the oracle on Galadriel testnet is:

0xACB8a1fcC06f1a199C1782414E39BdB4A8238e69

This is the oracle provided by the Galadriel team, running in a [TEE](#) . If you wish, you can set up your own: see [here](#) .

If the above oracle is not responding, you may want to use a secondary oracle in the development process. This secondary oracle doesnot run in a TEE. The address of that oracle is:

0x9CdbEdb6BBAED9CDd7C3FB9d42029CA1f2f96b03
