Mafia (party game)

Mafia, also known as Werewolf, is a Russian social deduction game created by Dimitry Davidoff in 1986. The game models a conflict between two groups: an informed minority (the mafiosi or the werewolves) and an uninformed majority (the villagers). At the start of the game, each player is secretly assigned a role affiliated with one of these teams. The game has two alternating phases: first, a night-phase, during which those with night-killing-powers may covertly kill other players, and second, Di...

I had a discussion about whether ZKP is enough for this in the Noir discord.
