To nobody's surprise, the majority of the voting power comes from Delegates.

Speaking of, we are now currently at 294 delegates* with 1330 delegators. However, only 36, 31, and 33 delegates voted in the AIPs 515, 512, and 552, respectively.

*Note: A delegate is being defined, in this context, as a delegate with at least 1 delegator.

If you would like to delve deeper in the data, please check out the [ApeCoin AIP Information Dashboard](#).

If there is specific data or information you are curious or interested in seeing, or would like to leave general feedback, please do so either in the comments or DM me.
