Our next session of the Bi-weekly grants & governance workshop is Tuesday Oct 24, 2023 - at 2 pm

These bi-weekly facilitated sessions are open to all delegates and teams/individuals contributing to the Arbitrum ecosystem. Hosted workshops will use design thinking to understand the problems we are facing, align our conversations, and find better solutions.

Note:

That these meetings are less about information sharing - and more about issue & next-step identification.

We will use the Lean Coffee approach to work through sticky Grants and governance-related topics.
