- [fhevm/fhevm-whitepaper.pdf at main · zama-ai/fhevm · GitHub](#)

Let's take a break from the mathy papers and see how FHE can be applied to create shared private state on the example of Zama's fhEVM. It is built using TFHE which we didn't cover yet, but we can just ignore all the TFHE details. As a bonus we get to gossip about [most recent lattice drama](#)

See you soon
