Hi everyone,

As a result of the Validator Survey and multiple Governance call discussions, I'd like to present the first draft of the signaling proposal for the Secret Network Charter & Code of Conduct:

docs.google.com

[2022-Q1 Secret Network Charter](#)

Secret Network Charter & Code of Conduct 2022-Q1 Signaling proposal I. Introduction The Secret Network Charter and Code of Conduct are meant to codify the current governance-related standard operating procedures through on-chain governance. The...

Any and all feedback is appreciated! In principle this will be submitted on-chain as a single signaling proposal, however if the community would prefer to vote on individual paragraphs, please say so below.

Best,

Mook
