In the first two rounds of reviews, the outcomes are as follows:

- Applicants removed: 967 (93.4% of reports submitted)
- Applicants kept: 69 (6.6% of reports submitted)

In total, following the first two rounds of reviews, there were 627 applicants to be included.

During the appeals period, where any project removed in the initial round of reviews could request another review, we received 76 appeals. The outcomes of the appeals are as follows:

- Applicants removed: 59 (77.6% of appeals submitted)
- Applicants kept: 17 (22.4% of appeals submitted)

One applicant requested to be removed from the round, which brings the total number of applicants in RetroPGF 3 to 643.
