Arbitrum DAO Sessions · Luma

Hello Arbinauts!

We are organising an informal meet-up on behalf of the Arbitrum DAO and community members. It is an opportunity to: Participate in a governance meeting, Pitch...

It will mostly be an informal day, but if there are any good sessions / panels / activities you would like to see, then drop a comment here.

Let's make the most of being together in person!

p.s. Arbitrum Day will be virtual and consists of talks by many in the ecosystem. If all goes well, we will attempt to stream the talks at the venue as well.
