Dive into the next-gen dYdX validator analytics dashboard, exclusively on Validator.info. Embark on a data journey, uncovering metrics, insights, and pivotal indicators that redefine your grasp on the dYdX universe.

Dive in: One-stop validator portal — Validator.Info

Why Validator.info?

Validator.info isn't just another portal; it's THE definitive hub for in-depth analytics across top-tier blockchains.

In the blockchain cosmos, validators are the heroes ensuring security, consensus, and the very soul of the network. Validator.info is your bridge to this universe, offering both real-time snapshots and historical vistas of these vital network guardians.

Stellar Features

Instant Insights

: Experience the thrill of real-time updates on validator performance and metrics. Stay ahead, always.

Governance

: Dive into the democratic heart of blockchain. Track validator votes, memos, and their role in network governance.

Deep Dive Profiles

: Navigate validator histories, voting patterns, and more. Power your delegation decisions with knowledge.

Time Travel with Data

: Our reservoir of historical metrics lets you spot trends, delve deep, and understand validator evolution.

Tailored Searches

: With intuitive sorting and filtering, find your perfect validator match in a breeze.

Validators Spotlight

: stay up to date with our comprehensive monthly reports on dYdX chain validators.

Your First Steps on Validator.info

Embarking on your Validator.info journey is a breeze:

1. Set Sail: Head to Validator.info and anchor on dYdX.

2. Dashboard Delights: Encounter widgets that lay bare key indicators

3. Validator Voyage: Surf through validators, their tales, and stats. Sort and select based on staked amounts, delegators, governance, and beyond.

4. Profile: Anchor on a validator to delve into their story. Gauge their trustworthiness and reliability with ease.

In essence, Validator Info is your compass, map, and ship in the vast ocean of blockchain validators. Whether you're a captain (validator operator), a merchant (investor), a chronicler (researcher), or a curious traveler, Validator Info equips you for the voyage.

Your voice matters to us! Share your thoughts, and let's chart new territories together.
