Next session: [September 26, 2023](#)

There are multiple [universal basic income experiments currently running in blockchains](#) For this month's study circle I want us to explore the necessity for this kind of redistribution and it's effectiveness, perhaps as a complement to retroactive public goods funding.

Date: 2023-08-22T15:00:00Z

→2023-08-22T16:30:00Z

Location: Google Meet. Please [send me message](#) to receive the invite.

Host

[@chayoterabit](#)

Agenda

- Breathe, slow down, set intentions
- Circle of introductions: who we are and who is joining for the first time
- Brief summary and discussion of suggested readings
- Differences of the different UBI experiments
- Define topics for session 4 and 5
- Closing circle
