Updates

Executives

- In September we provided support to the following executives:

- Crafter role for [Sept 27th](#)

- Reviewer role for [Sept 15th](#)

- Crafter role for [Sept 27th](#)

- Reviewer role for [Sept 15th](#)

- The new contributors from Dewiz have been shadowing the Crafter and Reviewer roles and will continue to do that during October to get up to speed with the process and best practices. As part of their onboarding a set of explainers have been created which help understand the Maker protocol better:

Endgame work stream:

- The deployment scripts for the SubDAO yield farms were submitted for auditing and an interim report was delivered by ChainSecurity. We are in discussions to address the findings.

- We continue to engage in the Launch Project providing technical consultancy and implementation as needed.
