Other Limits

Subaccounts may have a limited number of open orders at any one time determined by the net collateral of the subaccount as per:

Net Collateral Long-term or Conditional orders < 20 0

= 20 and < 100 4 = 100 and < 1,000 8 = 1,000 and < 10,000 10 = 10,000 and < 100,000 100 = 100,000 200 For example up to 10 open bids across all markets for a subaccount with a net collateral of 2,000.

Note that limitImmediate-or-Cancel ,Fill-or-Kill , and market orders on the frontend do not have this limitation.
