Get Gas Token (ETH)

1. The First Method: First Transfer ETH from CEX to DEX (Include buying ETH on a CEX)

2. Step 1:

3. Buy ETH with fiat (Fiat - real-life currency. Eg: USD, EUR, etc).Skip this step IF you'd already had ETH on your CEX account previously

4.

Buy fiat tutorial guide:https://www.binance.com/en/support/faq/how-to-buy-cryptocurrency-via-p2p-trading-on-binance-app-360039384951 * Step 2: * Transfer ETH from a CEX to your wallet on zkSync Era *

Example of transferring from a CEX (Binance) to a wallet on zkSync Era

1. The Second Method: Bridge ETH from other networks to zkSync Era:
