I'm excited to announce the release of our MEV-Boost Bids Archive!

bidarchive.relayscan.io

Relayscan.io Bid Archive

Builder bids across MEV-Boost relays, brought to you by Flashbots ⚡

Details:

- All builder bids across all MEV-Boost relays

- Data freely available under the CC-0 license

- Uploaded nightly (at UTC 2am)

- Data since 2024-06-03

Two files per day:

- All bids (about 10M entries per day)

- Top bids only (~1M entries per day)

The data is collected via three methods:

- GetHeader polling

- Data API polling

- Ultrasound websocket stream

These are the collected fields:
