# Meeting Info

- [17 August, 2023, 15:30 UTC](#)

- Duration: 90 minutes

- Recording: [https://youtu.be/dEmJS9fZYOM](https://youtu.be/dEmJS9fZYOM)

- Zoom: [Launch Meeting - Zoom](#)

## Agenda

- Deneb updates

- spec updates

- builder-specs

- RFC: [RFC: Use MAX_BLOB_COMMITMENTS_PER_BLOCK as max length for BlindedBlobsBundle SSZ lists by jimmygchen · Pull Request #87 · ethereum/builder-specs · GitHub](#)

- RFC: [RFC: Use MAX_BLOB_COMMITMENTS_PER_BLOCK as max length for BlindedBlobsBundle SSZ lists by jimmygchen · Pull Request #87 · ethereum/builder-specs · GitHub](#)

- relay-specs

- [Remove submitBlock response type by jtraglia · Pull Request #26 · flashbots/relay-specs · GitHub](#)

- [Add proposer_pubkey to BidTraces by jtraglia · Pull Request #24 · flashbots/relay-specs · GitHub](#)

- [Remove submitBlock response type by jtraglia · Pull Request #26 · flashbots/relay-specs · GitHub](#)

- [Add proposer_pubkey to BidTraces by jtraglia · Pull Request #24 · flashbots/relay-specs · GitHub](#)

- builder-specs

- RFC: [RFC: Use MAX_BLOB_COMMITMENTS_PER_BLOCK as max length for BlindedBlobsBundle SSZ lists by jimmygchen · Pull Request #87 · ethereum/builder-specs · GitHub](#)

- RFC: [RFC: Use MAX_BLOB_COMMITMENTS_PER_BLOCK as max length for BlindedBlobsBundle SSZ lists by jimmygchen · Pull Request #87 · ethereum/builder-specs · GitHub](#)

- relay-specs

- [Remove submitBlock response type by jtraglia · Pull Request #26 · flashbots/relay-specs · GitHub](#)

- [Add proposer_pubkey to BidTraces by jtraglia · Pull Request #24 · flashbots/relay-specs · GitHub](#)

- [Remove submitBlock response type by jtraglia · Pull Request #26 · flashbots/relay-specs · GitHub](#)

- [Add proposer_pubkey to BidTraces by jtraglia · Pull Request #24 · flashbots/relay-specs · GitHub](#)

- implementation updates

-
  - mev-boost ([tracker issue](#)): ready for testing + review: [Add Deneb Types and Flow by avalonche · Pull Request #553 · flashbots/mev-boost · GitHub](#)

- relay ([tracker issue](#)): ready for testing + review: [GitHub - flashbots/mev-boost-relay at deneb](#)

- builder (tracker issue): was blocked on geth, in progress of rebase with geth 1.12.2 [Decun Upgrade · Issue #91 · flashbots/builder · GitHub](#)

- mev-boost ([tracker issue](#)): ready for testing + review: [Add Deneb Types and Flow by avalonche · Pull Request #553 · flashbots/mev-boost · GitHub](#)

- relay ([tracker issue](#)): ready for testing + review: [GitHub - flashbots/mev-boost-relay at deneb](#)

- builder (tracker issue): was blocked on geth, in progress of rebase with geth 1.12.2 [Decun Upgrade · Issue #91 · flashbots/builder · GitHub](#)

- [GitHub - flashbots/mev-boost at develop-deneb](#)
- [GitHub - flashbots/mev-boost-relay at deneb](#)
- discuss implementation readiness for other relays
- dreamboat

? bloxroute? other implementations?

  -
