TechOps is planning to perform some maintenance work on forum. Activities will include:

- rebuilding the forup app
- upgrading Forum to the latest version
- applying security fixes
- applying some updates to the server
- updating plugins and extensions
- verifying functionality

Maintenance is planned to happen on Thursday, 29 June 2023 between 8:00 and 8:45 UTC

.

During that time, forum might be temporary not available

(for 15-25 minutes) or slow

.

For the progress you may watch and subscribe[MakerDAO Statuspage](#)or #general

channel in Discord, where we'll post live updates.

Sorry for inconvenience.
