Support

We are here to help! If you are a project team looking to deploy an application-specific rollup or are thinking about building your own application-specific chain, we would love to speak and be of help. You can schedule a call with one of our team members via Calendly: https://calendly.com/wenhaualtresearch/30min . In case you are a bit shy and prefer conversing over email, please get in touch with us at . Community & Support -Previous Community Last modified7mo ago
