AIP Name:

[AIP-96: Funding for Public Goods (ETHGlobal & Gitcoin)](#)

Implementation Status:

Complete

Author:

[@maariab](#)

Abstract Summary:

This AIP provides for $200,000 in APE to fund hackathons and grant programs for people building for ApeCoin. The funding will be distributed across three initiatives: Ethereum Foundation's upcoming ETHOnline hackathon, a dedicated Gitcoin ApeCoin ecosystems grant program, and Gitcoin's Change program.

Participating in these initiatives gets ApeCoin more visibility and encourages developers to build for this community. It also serves as a way for ApeCoin to support public goods and other communities.

Overall Cost:

$200,000
