✧.⁎ Happy New Year from the Dhive Team!

As we step into the new year, we want to thank everyone for your support. Your involvement means so much to us!

This thread will serve as our hub for updating the Uniswap DAO. Here, we'll share proposal results, governance-related metrics, and exciting developments as we continue our mission to make governance data more accessible.

We hope these updates will keep you informed, spark meaningful discussions, and pique your interest in exploring what Dhive has to offer.

We're also opening this space for your feedback and suggestions! We're always open to hear your thoughts and improve our project to better serve the community.

Let's make 2025 a great year filled with success, collaboration, and good governance!
