Hello everyone, I am Sera, and as a DAO contributor, I am known for creating educational content through my art to help inform and make it easier to understand for those of us who are more "visual learners."

Here is a video guide I created to break down the 'Apecoin DAO Proposal Process' as outined in AIP-1 & the 'Governance' section of the Apecoin website.

(reference: ApeCoin DAO Governance)

The content in this video outlines the 'Proposal Process' which includes: Proposal Categories, Proposal Templates, Proposal Phases, Proposal Conflicts. Information that is useful to better understand the DAO's general procedure as well as some of the tasks that Special Council does.
