Hey everyone! Inserting a call here because there are quite a few notable discussions and proposals in the pipeline that have gotten good traction. The link to join the call is on the [governance calendar](#).

Date: 20 March 2024

Time: 4:00 pm UTC

Here's a fluid agenda I've put together. For authors and/or key contributors of these proposals, it'd be amazing if you can include a tl;dr of your proposal / discussion in the comments so delegates can review them and prepare their questions for the call.
