Hello everyone,

In light of GovHack and ETHDenver, we'll be moving our Open Governance Call to next week.

Please mark your calendars (or you can subscribe to the [public Arbitrum Governance calendar](#) and always be up to date with our calls).

Agenda

1. Foundation Updates by [@cliffton.eth](#)

2. Security Council Elections by [@cliffton.eth](#)

3. GovHack by Hack Humanity update by [@KlausBrave](#)

4. Open Discussion

If you have something you'd like to bring up during the meeting, please post it in the replies below so we can plan accordingly and update the aforementioned agenda.

The call will take place again on Google Meet: [meet.google.com/ouo-uskg-niq](#) on Wednesday, 6.3.2024 at 5 pm UTC/12 pm EST (same as last time).

We will record the call and publish it later on for a public review, so please keep that in mind.

Lastly, following the discussion we had during the last call, please take a second to vote on the below poll to get a sense of what we should explore.

Time of the open governance call:

- Keep it as is

- Change it to earlier

- Change it to later
