Abstract

| Two or three sentences that summarize the proposal.

To create a comic book about characters from the Ape ecosystem and to write screenplays by the DAO

Motivation

| A statement on why the APE Community should implement the proposal.

In order to influence mass culture deeper we can initiate a series of comic books. If it will work imagine us as new Marvel Comics

Rationale

| An explanation of how the proposal aligns with the APE Community's mission and guiding values.

A comic book written by the DAO is a revolutionary collective act of creativity. Also, one more use case for $APE.

Key Terms (optional)

| Definitions of any terms within the proposal that are unique to the proposal, new to the APE Community, and/or industry-specific.

[•]

Specifications

| A detailed breakdown of the platforms and technologies that will be used.

Google Docs and snapshot.org

Steps to Implement

| The steps to implement the proposal, including associated costs, manpower, and other resources for each step where applicable.

To create a screenplay via DAO, to create a comic book, then mint all pages as NFTs and to reward with them to most active community members
