The goal at this first stage of proposal is to find a Production Studio to develop an ApeCoin themed experience in The Sandbox Metaverse to engage and expand the APE community.

The experience must be fun and engaging, leveraging the ApeCoin brand identity including its mascot: ApeKin [ApeCoin Mascot "ApeKin"](#)). In the proposal, the studio must propose a full experience and explanation of the game mechanics (detailed gameloops) focusing on replayability. The experience must integrate a leaderboard system that can be activated during special events.

Consultation period:

2 weeks starting from publication date of this AIP idea. From April 16th to April 30th (included)

How to apply:

The studio must send the full proposal including concept, budget and timeline to hello@creatorsassembly.com before April 30th at midnight UTC.

KEY TERMS:

Metaverse: A collective virtual shared space, created by the convergence of virtually enhanced physical reality and physically persistent virtual worlds.

The Sandbox: A decentralized virtual gaming platform, allowing users to create, own, and monetize their gaming experiences and assets.

OVERALL COST:

Cost will be defined during the selection process and will include the development cost of the experience, land(s) and any potential cost attached to the project.
