On May 29, an offer was made to staking 20,000 ETH, which is $2 million per year.[TMC-0: Stake all treasury ETH in Lido](#)

As we know Lido DAO community does not burn LDO tokens, which can negatively affect the rate dynamics and investors, and total LDO offering is 1,000,000,000 coins, my proposal is as follows: every quarter burn tokens 50% or more of the proceeds of 20,000 eth staking
