Implementation Status:

Complete

Author:

[@ssp1111](#)

Abstract Summary:

- This proposal is for a Feasibility Study ONLY

(not an actual event)

- This proposal is based on our collective experiences at NFT-nyc and the countless requests for a "better" NFT conference/festival

- This proposal is NOT a substitute for ApeFest – YUGA will do their own thing for their communities

- This AIP is proposing to do the legwork to secure letters of interest from various NFT Communities, Brands, Sponsors, Venues and Event Cos BEFORE drafting a separate proposal for putting together a DAO-Owned and Managed Conference & Festival - aka Web3 Village

Overall Cost:

$10,190
