The MIP Framework: RFC and Formal Submission Dates

This table aims to be of aid to authors who get dizzy trying to figure out when they should be posting their proposal so that it can make it into the next earliest Formal Submission window.

(Note that your displayed time may differ. I've set my system to UTC to grab this screenshot)

- January's Formal Submission Window spans Monday 2-Wednesday 4.
- If a proposal is first published in the forum on December 7, 2022, it will be eligible for Formal Submission on the very last day of January's Formal Submission Window, January 4.
- If the proposal is published after December 7, it will have to wait until February's Formal Submission Window (February 6, 7, 8).
- Remember that proposals must remain unchanged for at least one week before their formal submission.
