Hello all! We are the blockchain club at the University of Southern California.

Our delegate address is: [0x995013B47EF3A2B07b9e60dA6D1fFf8fa9C53Cf4](#)

Here's what we stand for:

Mission: In our role as a delegate, we strive to promote equitable, inclusive, sustainable, and effective community ownership and governance of key web3 infrastructure through thoughtful and researched decision-making and community engagement.

Values:

- Consistent

- Having integrity

- Community-centric

- Sustainable

- Thoughtful and researched

- Transparent

- Constructively critical

Within this thread we will be communicating our voting rationale, and other important updates about our work.
