I'm proud to present my very first Web3 security webcomic in collaboration with Boring Security

- featuring Apekin

, our mascot.

Always be cautious to avoid getting scammed in the crypto space!

Scammers can get very creative. They would do anything to convince you to send them money or NFTs.

Don't fall for that!

Something doesn't feel right? Double check.

Want to learn more about the methods they like to use?

Here's an article for you!

https://boringsecurity.com/articles/phishing-tactics-by-scammers

This webcomic strip was one of my entries for the builder contest hosted by Thank Ape back in August, and won in the futurist collaboration category.

Thank you for reading!

And thanks to @Feld for volunteering for this one.
