AIP Name:

[AIP-230: 'I don't hate apes, I just want them to fund public goods!"](#)

Implementation Status:

Complete

Author:

[@maariab](#)

Abstract Summary:

[1184×452 48.5 KB](#)

This AIP provides for $1,000,000 to fund crypto public goods through ETH Global and ApeCoin hackathons. The goal of this proposal is to 1) give back to the Ethereum community; 2) further development work around account abstraction; and 2) introduce developers to ApeCoin

Overall Cost:

$1,000,000
