Incentivized Public RPC (ipRPC)

Overview

Lava works with various blockchains to establishIncentivized Public RPC (ipRPC) endpoints . ipRPC endpoints are given unified URLs serviced by diverse providers of each chain's ecosystem. Providers are paid by those respective ecosystems to offer their services and developers benefit from the availability of highly-serviced endpoints unified through a single URL.

Agoric Endpoints

Mainnet   **AGR**

Service	URL		
https://agr.tendermint.lava.build		rest https://agr.rest.lava.build	grpc https://agr.grpc.lava.build

Testnet   **AGRT**

Service	URL		
https://agrt.tendermint.lava.build		rest https://agrt.rest.lava.build	grpc https://agrt.grpc.lava.build

Axelar Endpoints

Mainnet   **AXELAR**

Service	URL	tendermint-rpc	tendermint-rpc / websocket
	https://tm.axelar.lava.build wss://tm.axelar.lava.build/websocket	rest https://rest.axelar.lava.build	grpc grpc.axelar.lava.build:443

Testnet   **AXELART**

Service	URL	tendermint-rpc	tendermint-rpc / websocket wss://tm.axelar-
testnet.lava.build/websocket	https://tm.axelar-testnet.lava.build	rest https://rest.axelar-testnet.lava.build	grpc grpc.axelar-testnet.lava.build:443

Evmos Endpoints

Mainnet   **EVMOS**

Service	URL	tendermint-rpc	tendermint-rpc / websocket
wss://tm.evmos.lava.build/websocket	https://tm.evmos.lava.build	json-rpc / websocket	
wss://evmos.lava.build/websocket	json-rpc https://evmos.lava.build	web-gRPC https://grpc.evmos.lava.build	
	rest https://rest.evmos.lava.build		
	grpc grpc.evmos.lava.build:443		

Testnet   **EVMOST**

Service	URL	tendermint-rpc	tendermint-rpc / websocket wss://tm.evmos-
testnet.lava.build/websocket	https://tm.evmos-testnet.lava.build	json-rpc / websocket wss://evmos-	
testnet.lava.build/websocket	json-rpc https://evmos-testnet.lava.build	web-gRPC https://grpc.evmos-	
testnet.lava.build	rest https://rest.evmos-testnet.lava.build		
	grpc grpc.evmos-testnet.lava.build:443		

NEAR Endpoints

Mainnet   **NEAR**

Service	URL		
		json-rpc https://near.lava.build	

Testnet   **NEART**

Service	URL		
		json-rpc https://near-testnet.lava.build	

Starknet Endpoints

Mainnet   **STRK**

Service	URL		
		json-rpc https://rpc.starknet.lava.build	

Testnet STRKT

Service	URL
json-rpc	https://rpc.starknet-testnet.lava.build
